"22 Years Of Devotion And Spirit"

In these days of trials and tribulations it is reassuring to know there is still a man with a zest for life. This man has taught at Colton High for 22 years. Mr. Eugene Owen, a graduate of the University of Redlands, shows spirit and enthusiasm in everything he does.

Mr. Owen has been a Senior Class advisor for 22 years and was instrumental in moving our graduation from San Bernardino Valley College to Colton High School. Known for his work with ASB as auctioneer at the semi-annual slave sale, Mr. Owen is well known throughout the school as the "spirit-raiser." On Dress-up days Mr. Owen always participates in an appropriate costume.

Descriptions about Mr. Owen by students in the Crimson and Gold yearbook have been written in a generous and lavish manner. These students both praise and appreciate Mr. Owen as an instructor and as a person.

"Well, Mr. Owen, I can't say it hasn't been fun. I don't ever remember a teacher quite like you. When God was passing out sense of humor you must have been first in line."

"To my favorite all time teacher. (Honestly) Thanks for all the knowledge and advice."

If one happens to pass by the teachers' parking lot he might get a glimpse of Mr. Owen's antique cars. Mr. Owen has been an avid collector of automobiles for many years and enjoys the hobby thoroughly.

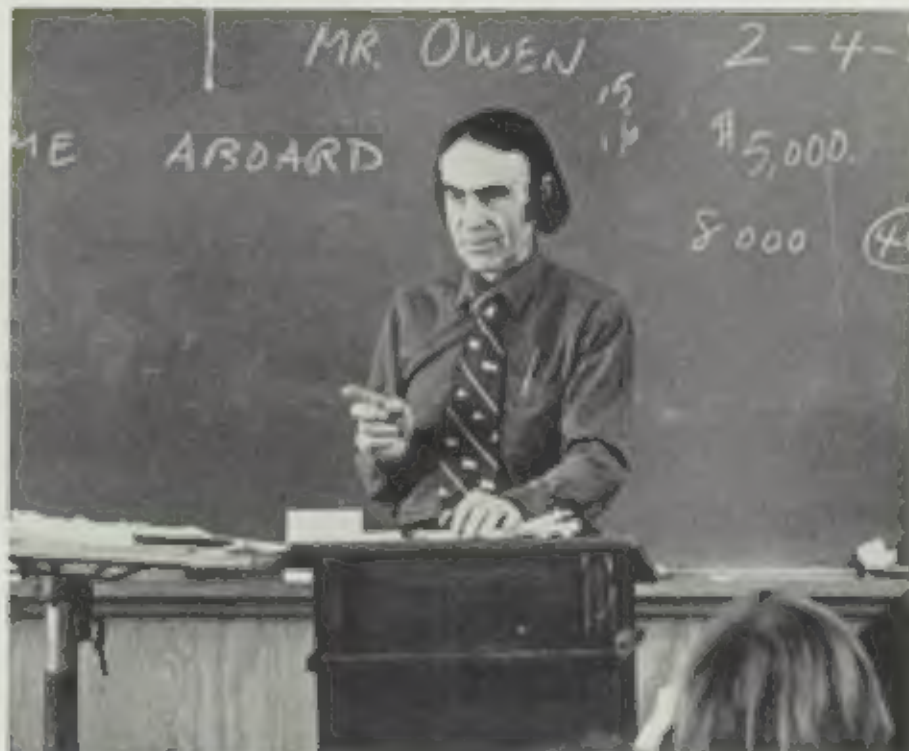

It is quite an experience to have Mr. Owen as an instructor. His charm and wit make learning a positive and meaningful experience.

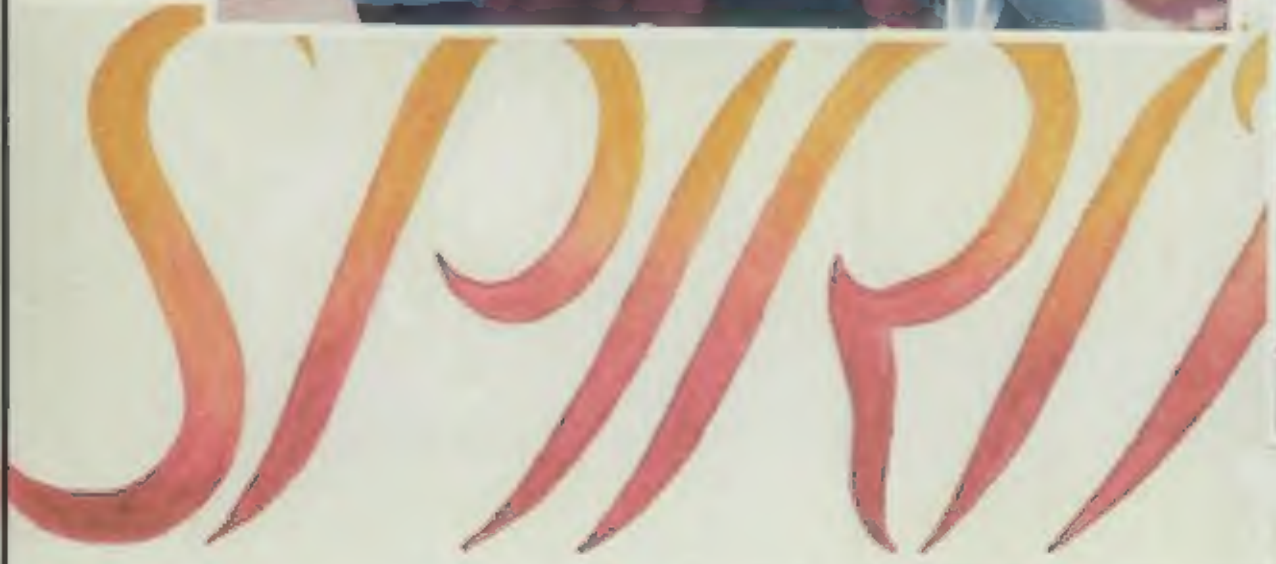

Crimson and Gold congratulates Mr. Eugene Owen, the 1981 dedicatee.

VALEDICTORIAN

SPIRIT 81

Like the previous Valedictorian Mary Hodges not only maintained her high grade point average but also remained on the Principal's Honor Roll for four years. Besides that, she also found time for sports and other school functions

Mary was the captain and MVP of the J.V. volleyball team for two years. She then went on to play two years on Varsity volleyball. But that wasn't all. Mary played one year of J.V. and three years of Varsity field hockey, not to mention a year of J.V. basketball. She also competed on the girls' track team for three years.

Mary, although tied up with all these activities, still found time for other clubs such as being a G.A.A., ICC representative and CSF President. A member of the House of Representatives for two years, she then went on to become ASB Vice-president for 1980-81.

An active member of the drama club, Mary served as house manager for "Man of La Mancha" and performed in the Supper Theatre in her Junior and Senior years.

SALUTATORIAN

Spiral 81

Lori Trickett, this year's Salutatorian, holds a long list of accomplishments. She maintained the second highest grade point average of the entire Senior class, making the Principal's Honor Roll for four years. Recognition of this honor led to her membership in Who's Who Among American High School Students and the Society of Distinguished American High School Students. She was also picked as a member of the Junior Honor Guard at the 1980 graduation ceremonies.

Lori participated in high school government as a member of the House of Representatives and was an active member of the California Scholarship Federation. Lori also displayed her talents in organizations and performances. A dedicated member of the pep squad, Lori became a Varsity Songleader in her Senior year. She was also a part of the Girls' Athletic Association when it was a part of the Colton High sports program. Lori performed in the award winning Honors Chorale and also in the Supper Theatre held around Christmas time.

Women Place Top Ten Scholastically

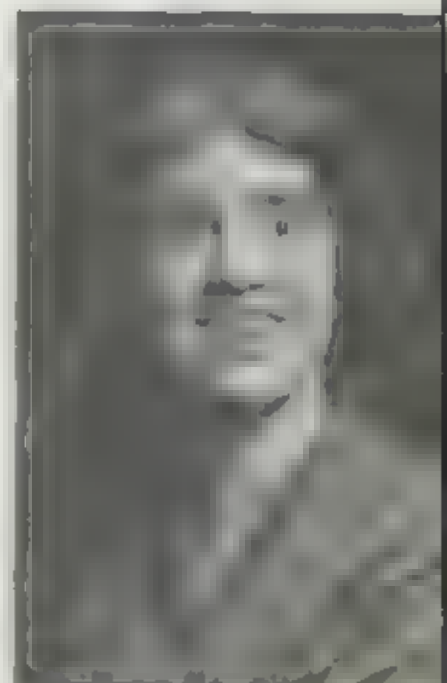

Jane Matthews was the CSF President and participated in the Marching Band and Wind Ensemble and marched in the 1980 Rose Parade. She was also in the group which went on the England tour. Jane played Varsity field hockey and J.V. basketball. She was also the G.A.A. Treasurer.

Lori Hughes was this year's Chief Editor of the Annual. She was in the Marching Band, Wind Ensemble and Art Club. She has remained on the Principal's Honor Roll for four years and is also in the National Honor Society and CSF. Lori also played field hockey.

Tami Smith was this year's Pepper Dough Co-Editor and was a member of the Pepper Dough staff in her junior year. She was also the Senior Class Treasurer and has remained on the Principal's Honor Roll. She also lettered in track and basketball.

Rene Villars, an active Drama participant, was in the musicals and plays for four years. Rene is a CSF life member, Jr. Class historian, Chamber Singers historian, and served on both the Citizenship Committee and the ASD Publicity Committee.

Sandy Newcomer is a member of both the Key Club and the California Scholarship Federation. She performed in the Honors Chorus and was a member of the stage crew, house crew, and the prop crew. She also made the Principal's Honor Roll and Who's Who.

Susan Farnum was very active in Honors Chorus and Chamber Singers. She belonged to the Drama Club and performed in *Man of La Mancha* and *No, No, Nanette*, and also *Supper Theatre*. Susan was on the Principal's Honor Roll, Who's Who, and the Society of Distinguished High School Students.

Linda Lagarde is a life member and Vice-President of CSF. She performed in this year's play *George Washington Slept Here*. Linda was in Who's Who Among American High School Students. She is also a Varsity player on the Swim team.

Marlene Salazar is a life member of the California Scholarship Federation and a member of both the Society of Distinguished American High School Students and Who's Who. Marlene served as secretary and treasurer of the Art Club and played on the field hockey team.

First For Colton High

For the first time in the history of Colton High School the art program through the concerted efforts of art students and art teacher Mr. Eugene LaPlante, has contracted to participate in a program to establish a permanent art collection at Colton High School. This collection is made up of Colton students' and teachers artwork and is designated specifically for the school's use. Additions will be made periodically as new pieces are donated to the collection.

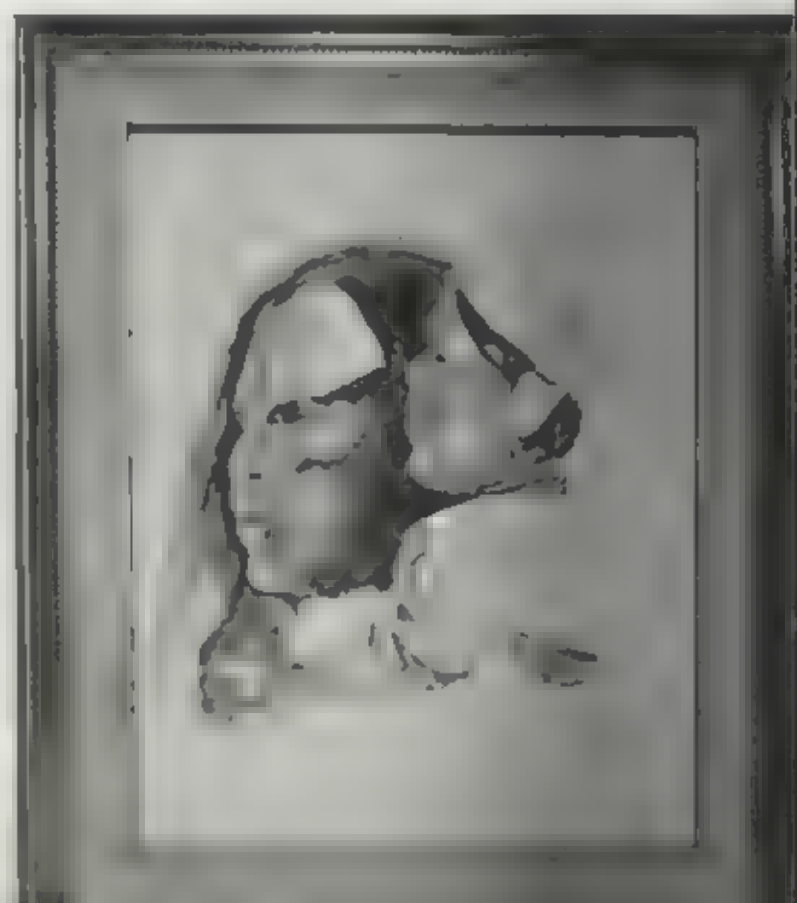

The Art Department, including Mr. LaPlante and senior art students, has personally prepared each piece for display. All pieces have been matted, glass has been cut to size, and frames have been built under the direction of Mr. LaPlante. The funds for this project have taken over two years to accumulate through donations. The Art Club is one donor with the goal of procuring quality artwork for the school. The collection was presented to Principal Rollin Grider and will be prominently displayed in school offices and the library. The collection will be regularly rotated so that visitors will have the opportunity to view it in its entirety.

CHS: Exciting And Challenging

Spirit is as much a part of high school life as the academic aspects. Cheering for the football team, appearing in the school play, and having a feeling of being involved are a few examples of spirit.

Pride is different things to different people. For one it is studying hard to pass a class and take advantage of what the school has to offer. For others it's participating in school activities.

Colton has all this and more to offer with different facilities for different subjects. These pictures show calm periods of time, but in full swing, the school is exciting and challenging.

Lunchtime-Very Busy Time

At Colton High, lunchtime is a very exciting time. Most people are too busy to even think about eating. There are meetings planned, rehearsals for this and that and all sorts of activities.

The A.S.B. and Class Councils plan many activities. Homecoming weeks spark the interest and enthusiasm of the entire student body. Everything planned was somewhat successful. Those who participated thoroughly enjoyed themselves.

Dressed to kill, students show their spirit by dressing up for Halloween.

"Club Walk" Adds Beauty

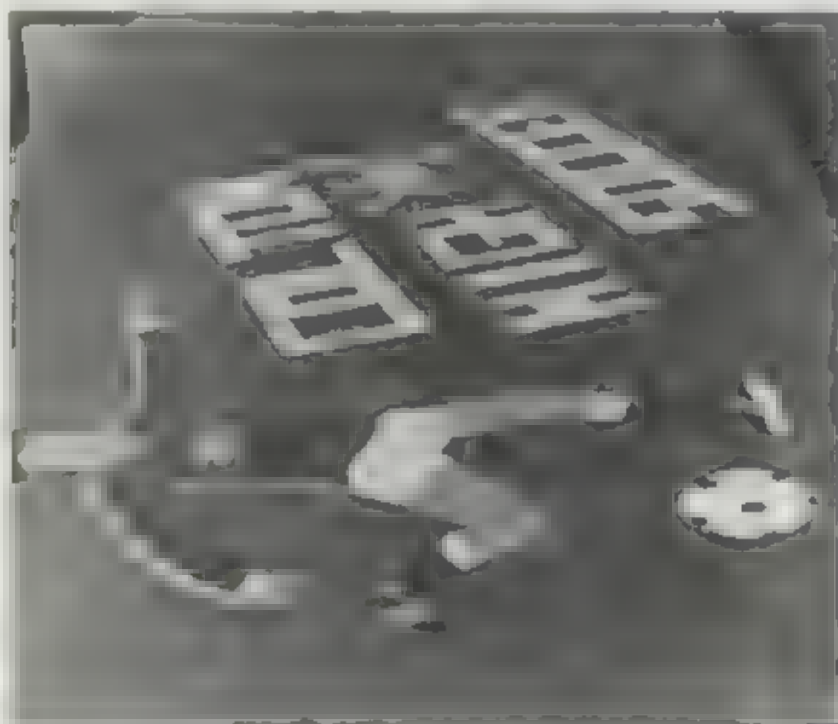

This year was the first time the Club Walk has ever been painted. A.S.D. sponsored this beautifying event. It was painted on the sidewalk spanning the area from the Science building to the 200 wing

To keep the paint new and bright students must repaint the walk every year. The organizations which participated by painting a design on the walk include all four classes Soccer, The Pepper Dough, Band, Future Homemakers of America, Troupers, the Art Club, the Key Club and M.E.C.H.A. Assemblies: Few But Enjoyable

Working on her campaign during the ASB convention is Esmeralda Mendez

This year Colton High School hasn't enjoyed as many assemblies as they have in the past. Yet the assemblies the school did put on were of very high caliber. Such educational presentations as those by John Goddard have always been a favorite of CHS students. While some enjoy the educational assemblies others prefer lighter entertainment such as the annual teasers. Members of CHS also enjoy pep assemblies which enrich the spirit of those who attend.

It is hoped that in the future A.S.D. will present a greater variety of programs.

Continued Excellence Under New Direction

Under new direction, the Colton Marching Band has become a vital unit in supporting school spirit. The new band director, Larry Roberson did an excellent job. In a first year effort he has become involved with the students, offering his experience in the field of music, to benefit the C.H.S. entertainment corps.

The band members were not familiar to the new style of direction. It took time, but they successfully adapted. The band entered many meets, winning awards for their military marching. Showing their school spirit they won Sweepstakes award in a competitive band tournament.

The band has had numerous fund raisers for future trips. They had great success selling such things as candy bars, candles and little stuffed animals. The band also hosted a Donkey Basketball game. The band members played against the school faculty in a basketball game where all the players rode donkeys.

"George Washington Slept Here"

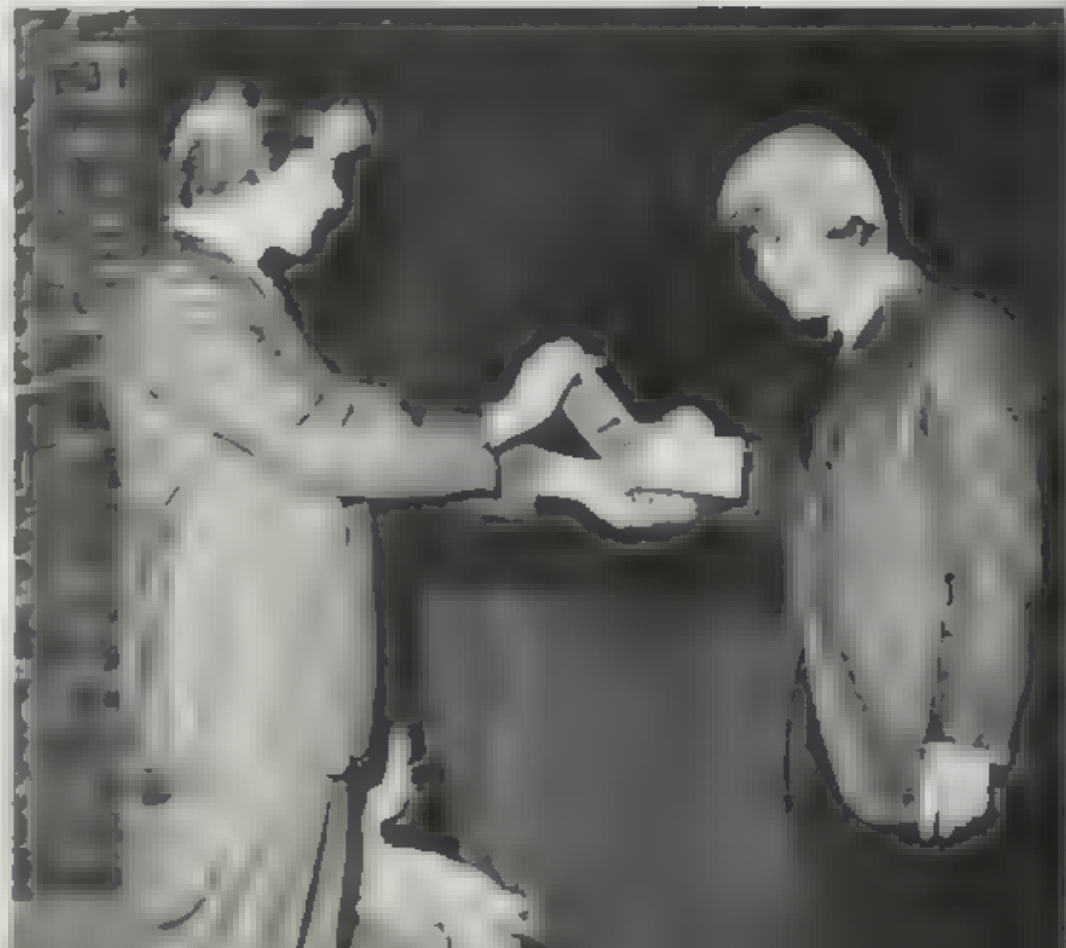

For the first time in many years this years play "George Washington Slept Here" came before the musical. A very excellent cast made up this years play with Bobby Shively and Linda Logarde in the lead rolls. The production was directed under the guidance of Mr. Terence Gunkel and was quite a success.

Part of the great success of the show was due to the compatibility of the crew members and the actors. The closing night of the play was received with a standing ovation. Perhaps the future shows will be as excellent as this production.

Giving an outstanding performance are Jeff Plourde and Sherri Jones

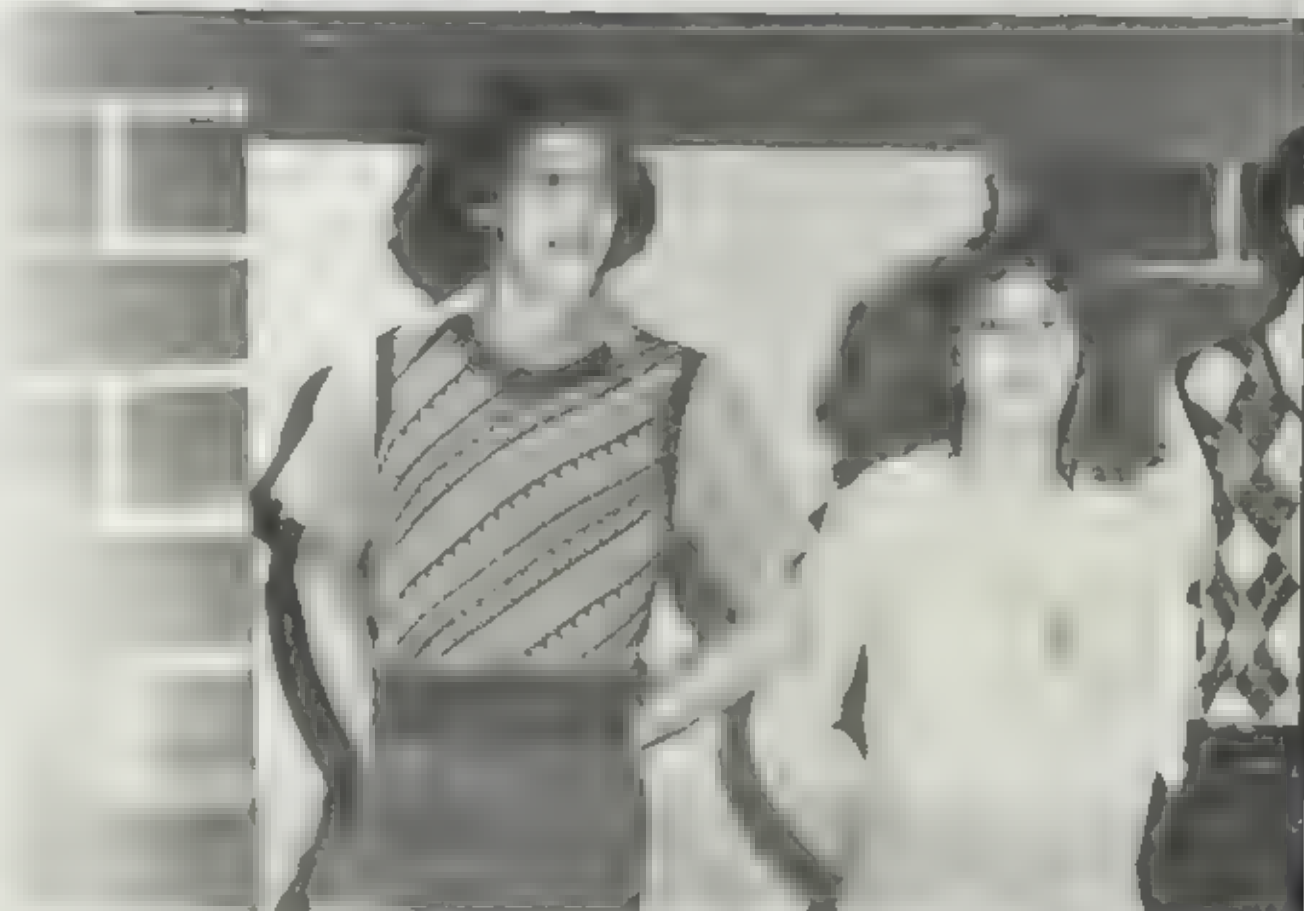

Colton High's biggest event of the year is the annual musical. Students take this opportunity to show off their many talents by singing, dancing, acting and creating sets, making the musical on the whole extremely popular.

Hard work, a great deal of time, and creative effort goes into each musical.

"No, No, Nanette" required many long hours of rehearsing. Each student participating learned how to rap dance. Dance lessons were offered during the summer, after school and during the winter recess to enable each student to meet the audition requirements. Mrs. Beverly Casa instructed the students, we wish to thank her for donating her time, effort and many talents.

The instructor for this year's musical is once again Mr. Terence Gunkel. Mr. Rick Salana also worked very hard on the musical rehearsing the singers.

"Chambers Singers" Great Success

What does talent, backbreaking effort, and perseverance add up to?

It's the "Chamber Singers" and Honors Choral" of Colton High. The combination of talents either in-born or trained leads to a very beautiful result. Both groups contain students from varied backgrounds that work together so the sound heard from the choir room can be both beautiful and moving

The most eagerly awaited performance of the year is the ever popular "Variety Show." The show consists of duets, solos, quartets, group singing, group dancing, and musical, humorous skits. Both groups participate and the show is always a success

The singers' season is made up of festivals. A festival is where choirs from different schools who come together to sing. Points are earned trophies and certificates are then awarded. Our choirs have been very successful this year as in past years

Recently attending a successful retreat in Big Bear, California the "Chambers Singers" and "Honors Choral" accompanied by Mr. Rick Solano studied extensive music for a weekend. The group came back happy, intensified, and filled with enthusiasm toward their next assignment.

"Chambers Singers" and "Honors Choral" paid for their weekend by having two fairly successful fundraisers. Though the amount earned was not much it adequately paid for everyone to attend.

Overall, including festivals and fundraisers, the season was a success for the singers. Everyone thoroughly enjoyed themselves and had good times that will last in the hearts of all who participated.

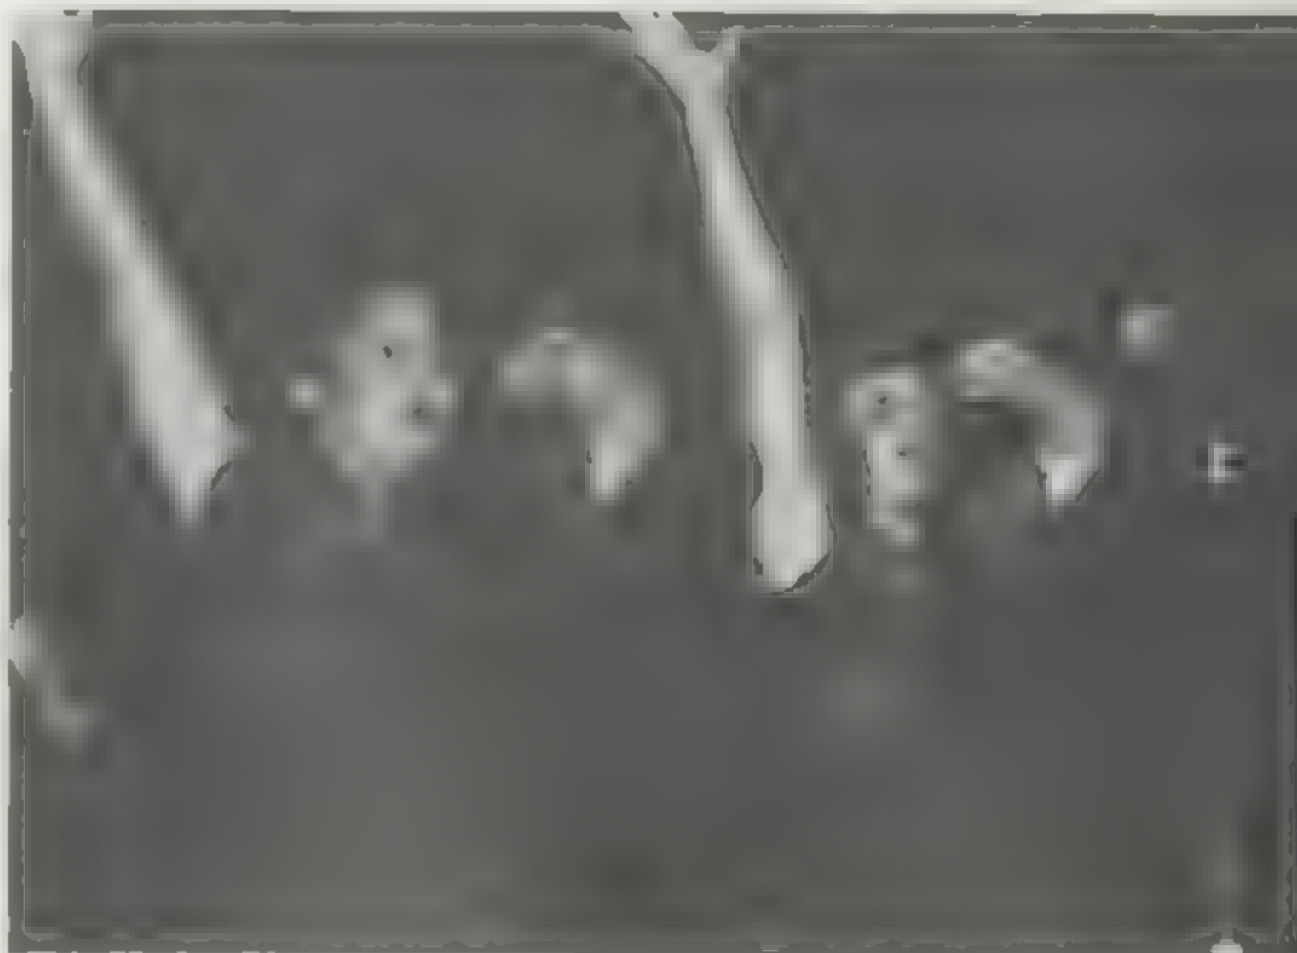

Hard Work, Practice And Talent Make It!

Gina Sherman, a senior at Colton High was elected at the end of the 79-80 school year to be the 80-81 "Honors Chorale-Chamber Singers" president

Gina participated in four school musicals. "Annie get your gun," "Hello Dolly," "Man of La Mancha," and "No No Nanette." She has also been in Honors Chorale and Chamber Singers for two years each

All members of each group have great possibilities. Hopefully all members including Gina, will take their talents as far as possible

Highly Respected Department

Colton High School is admired very highly for the Fine Arts department carrying a lot of respect among many schools in the state of California. A great deal of this accomplishment is attributed to the Art III classes.

Under the close supervision of Mr. Eugene LaPlante, artist and teacher, they have accomplished works of art equal to if not better than many professional works.

Working chiefly with water-colors and oil paintings, they have displayed their works on many occasions and at various places including the San Bernardino County Museum.

Other Art Classes at Colton High are Art I and Art II. These courses teach the basic fundamentals and prepare students for the more advanced Art classes.

Variety Of Skills

There are many shop classes offered to the students at Colton High. These classes enjoy high enrollment every year as an elective taken by the students.

Metals, Plastics, woods and automobiles are just a few shop classes offered to the students. Students can acquire a wide variety of skills including learning to make wrought-iron plant stands, acrylic paper weights, and just about anything imaginable out of wood and other materials. Another of these popular classes is mechanics. This class teaches students to repair and service automobiles and is very popular among students who are planning a career in this field.

Time For Children And Studies

A state and federally funded program provided for Calton High School is the Parenting Lab. This class enables teenage mothers to continue and finish their schooling while still caring for their child.

These classes are especially important because they teach inexperienced mothers the proper care, feeding, and discipline of their child. Trained instructors inform both mothers and fathers about the proper environment for raising a well-adjusted child.

One plus about this program is that mothers are able to devote needed time and attention to their children without neglecting their extremely important education.

Small But Tough

With hard work and a very supportive crowd behind them, the Colton High Varsity football team made the CIF playoffs after a year's absence. Colton started the non-league games against two highly ranked teams, Ganesha and Riverside Poly. The Jockers won both games with scores of 36-14 and 34-7.

Colton began the season highly ranked in CIF standings, facing competitors with the amount of almost double players. Home or away, the Yellowjackets fans followed their team anywhere they played.

Colton entered the Citrus Belt League for the first time since 1959, ending up with a back-breaking 2-3 record. Tough

losses to Fontana and Eisenhower almost shattered Colton's chances of a playoff berth.

The Yellowjacket team was picked as the CIF wildcard team. Colton drew Walnut High School in the first round. Under the coaching of Don Markham, the Jockers played their best offensive and defensive game and advanced into the quarter finals with a win over Walnut 26-13. Colton faced No. 1 ranked Edison at the University of Redlands. The Yellowjackets had won the south western CIF Championship at the same place two years ago. They gave a good effort, but Edison ended up winning 34-14.

Undefeated In CBL

The Junior Varsity season began with a real struggle against the team from Ganesha, although they finally won in the end. Coach Mr. Russell Smith felt that this was the year that the Junior Varsity would go undefeated. Quarterback Robert Vasquez led the J.V. team in the upset against Riverside Poly. Because of this upset the team hoped to finish unbeaten in the Citrus Belt League. Coach Smith worked them hard everyday and gave them a pep talk to get them ready before each game.

The J.V. team beat Fontana and Pacific with a show of their might to retain their perfect record. Their spirit and pride in the game enabled them to remain undefeated and uphold Colton High School's successful record.

The hardworking Freshmen Football Team did exceptionally well this year. Many hours of practice and time were spent in order to reach the high standards Colton High has set for its football teams. Due to a united team their record was 6-4, better than it has been for several years.

Ed Yates, Offensive Guard and Defensive End, stated, "We owe it all to the coaches. They worked us hard and kept our spirit up."

Coaches Wayne Weeks and Walter O'Neil worked diligently to get our team in good shape. They teach the freshmen the ways of the game early so they will be experienced players when they make the Varsity team.

With all the spirit and dedication these players have, they will probably go far. We really have something to look forward to in Colton's upcoming football seasons.

Outstanding Reputation Upheld

Field Hockey has long been a winning part of the CHS sports program. This year was no exception. Despite many team injuries, the majority of the games were won, sending the team to C.I.F. Excitement increased as the varsity team won the first-round playoffs. The no-score game was decided by a flick-off with Colton scoring three points and their opponent (Santa Ana) scoring none. Hopes for a C.I.F. championship were dashed when Colton succumbed to Garden Grove in the second-round of playoffs, 4 to 1.

Junior Varsity Field Hockey also enjoyed a successful season, winning nearly all their games. "They did a fine job" commended Coach Elinor Neafsey. Both teams prospered under the guidance of Coach Neafsey and Coach Allene Shore, and their long reputation of success and good sportsmanship was upheld.

Spirits High And Alive

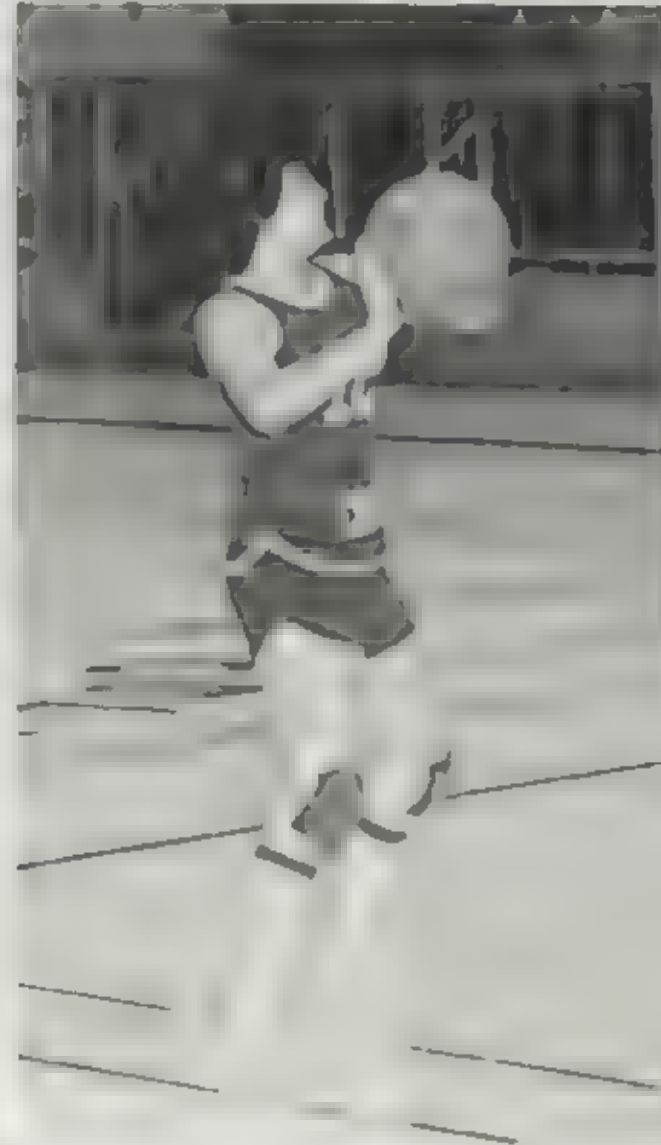

If spirit, hard work and winning went hand in hand, Colton's girls basketball squad would definitely be number one. These girls were commended many times for high spirit even when the chips were down. Even though confronted with busy schedules due to other commitments they worked very hard with extra practice sessions after school.

Stated Coach Hayes, "I love these girls. They had enough guts to come to practices, attend games, always doing their very best. They kept our spirits high and alive."

The girls had fun and found new friends, making it worthwhile. As Lisa Fonseca put it, "I made some good friends, had some great times, that's better than being number one. The team is number one at least in my eyes."

Combination Of Several Talents

Strength, endurance, physical fitness, as well as mental fitness, are needed in all sports, but especially water polo. This is one of the toughest sports at Colton High. It takes the strength of swimming and throwing, plus the endurance of long distance running, and the physical/mental fitness of chess. All players develop a talent and love for water polo.

This year, with past experience as assistant coach, Mr. Dave Gomez took over the squad. The point most stressed with his players was teamwork. Coach Gomez said, "The reward came in the fact that my effort and philosophy helped my players. They worked hard, had spirit and organized themselves. I was pleased to coach them."

Coach Gomez and Pamela Trull grimace at a bad shot but keep up hope.

Success In The CBL

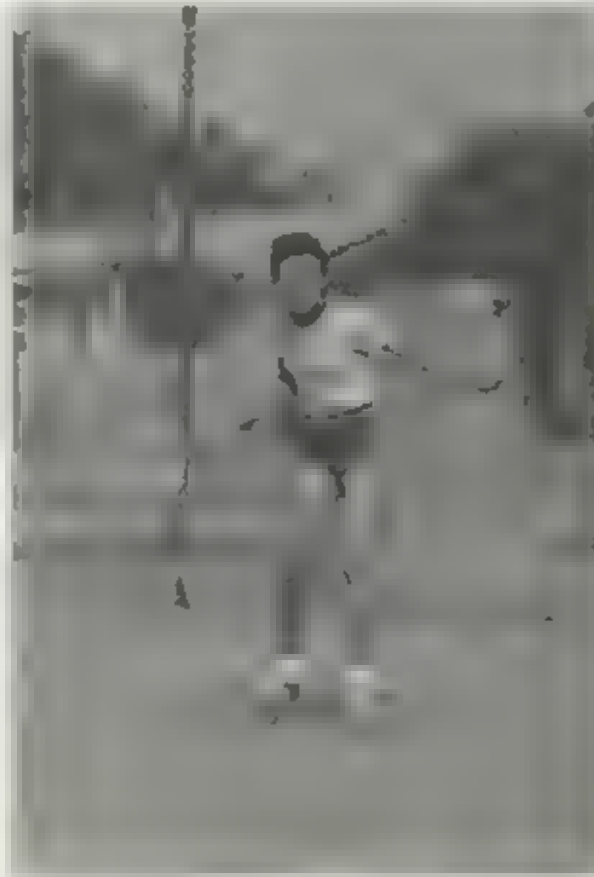

Many hours of hard work paid off for the Girl's Varsity Tennis team. Moving up from the Ivy to the tougher CBL league didn't stop the squad. They ended their season 12-3, placing second overall. The girls really earned their standings with hours and hours of hard work and practice.

The excellent coaching of Mr. Bill Ashley inspired the girls so that winning seemed almost easy. He motivated them to do their best in every match.

Everyone was pleased with their success. Moving to a tougher league and still keeping up spirit and winnings was truly a thrill for everyone involved. The girls were glad in the end that everyone worked together, had fun and spirit and were justifiably proud of their winning season.

League Position Improved

The Colton High Basketball team profited by a new addition to their 1980-81 basketball season. Mr. Dave Salas, former Colton student and art teacher, has joined the Varsity and J.V. teams and contributed his unique leadership and experience. A player of basketball, football and baseball while attending Colton High, Mr. Salas supplied valuable coaching and encouragement to both teams.

The total outlook in basketball this year was much better than previous years. The team's future looks bright under the direction of Coach Salas. Coach Salas' and the team's hard work was rewarded with the return of the Ken Hubbs trophy to its proper place at Colton High School. Senior Hank Guzevich led the team as high scorer with 333 points, followed by senior Blake Lindsey. Improving their position over last year, the Varsity team finished in fourth place in the CBL.

"Winning Mood" Sends Team To CIF

Spirit and enthusiasm traveled alongside with the Girls Volleyball team as they made CIF. Long hard practices and tough opponents were enough for the girls, but then came CIF. The roaring cheers helped the players in doing their best to win. With every scored point, the girls were eager to score more.

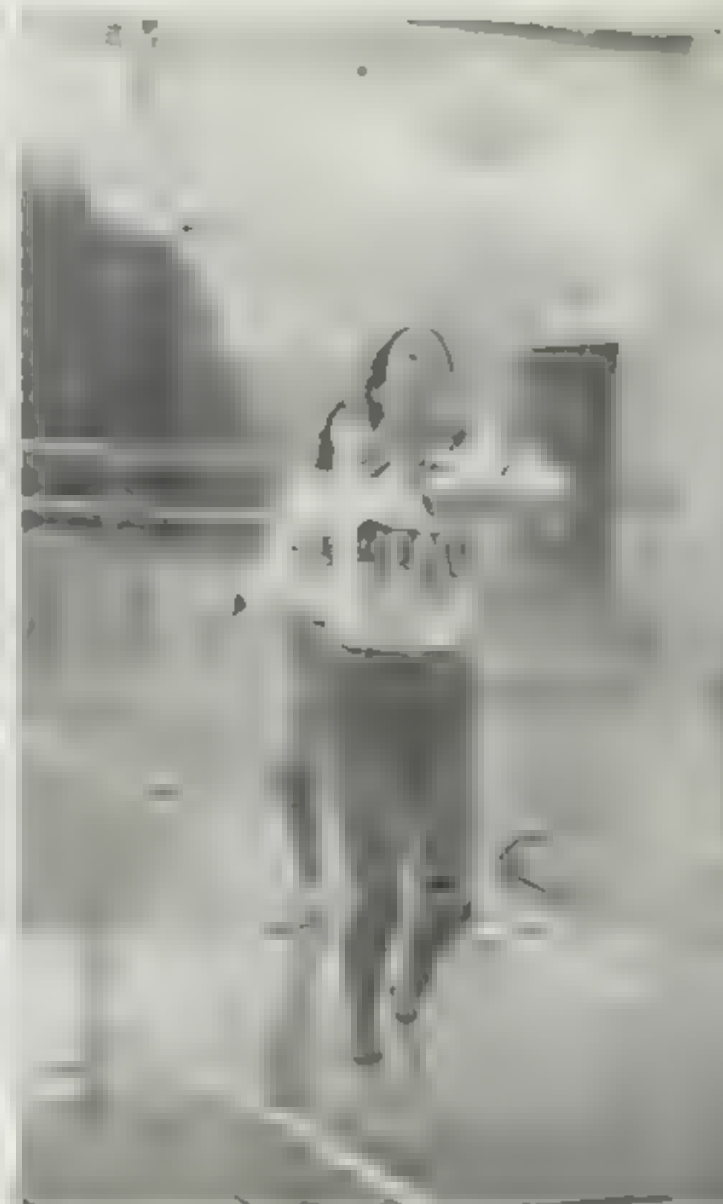

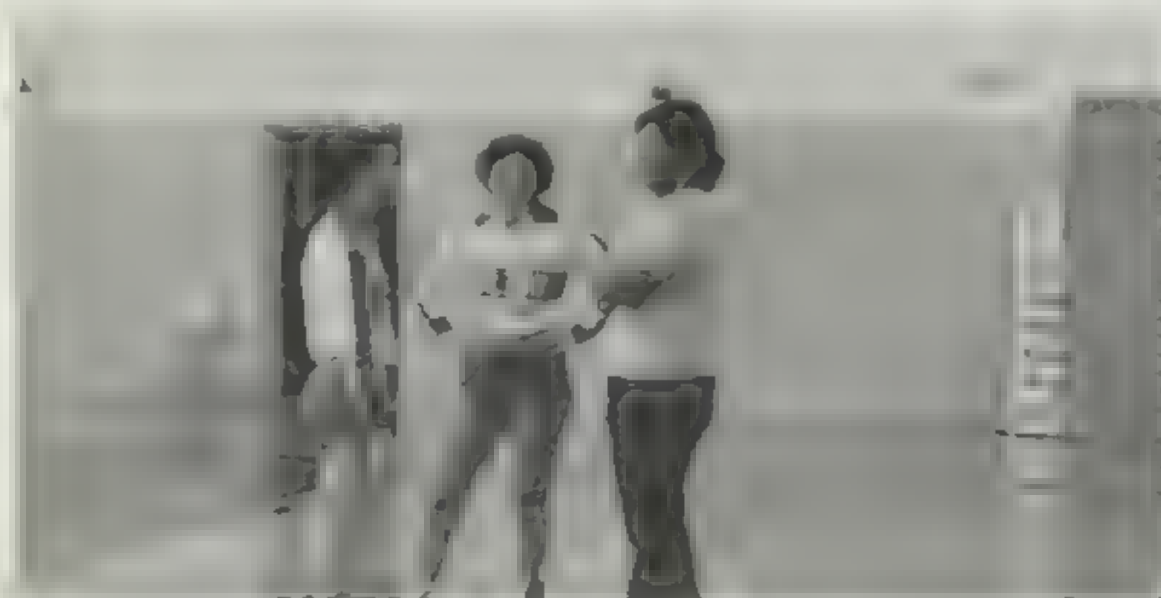

Along with most of the other Colton High teams, volleyball moved into CBL play. There they faced tougher opponents such as Eisenhower and

Redlands. Although beaten by both they still finished second with a 10 - 5 record. "We didn't have much height, but we played together to win," stated Jai Carvalho. Senior Diane Acosta was voted the team's Most Valuable Player.

CIF was another season in itself. Extra practices were held to get the girls in a winning mood. The girls won the first round, but lost a disappointing game to Leuzinger in the second round.

Talking over strategy are Stacy Colclasure, Mary Hodges, and coach Papadolo.

Good Productive Year

With the change into a new league the wrestling team, despite a few mishaps, achieved a respectable record of five wins, five losses, in league matches.

With the advice of coaches, Wayne Weeks, Joe Trevino, Robin Luken, the Colton team sent seven members to the first round of C.I.F. and four members with an alternate to the second. Even though the Colton Team lost quite a few Seniors last year, the team made do.

With much enthusiasm and determination the team had a good and prosperous year. Hopefully with some more practice and hard work the team will again build up its reserve of expert wrestlers and improve their league record.

Junior Varsity also earned our praise with a league record of three wins and three losses. These young wrestlers have proven their skill and competency in wrestling and will prove a valuable asset to the Varsity team as they advance to Varsity league matches. Although a few seniors will be lost this year, many more are waiting in the wings.

Although all of our coaches at Colton High School do their best to lead their teams to victory, a few coaches are able to guide their outstanding team members to the California Interscholastic Federation playoffs.

These coaches of the fall and winter sports seasons have either sent their entire teams or individuals to C.I.F. Unfortunately, our deadlines did not permit us to include the spring sports season, but we would like to extend our congratulations to many teams and their coaches in anticipation of their advancement to the C.I.F. playoffs.

New League Opportunity

The change into a new league did not benefit all the teams at C.H.S. The hard working soccer team did not make the transition into the new league as well as other Colton High teams. The inexperienced soccer team tried their best in every game, yet were no match for the better skilled larger teams in the new league. The team ended the year with a 0-18 overall record for the season.

Unfortunately Coach Gomez's hopes for a brighter future did not come true this year, perhaps with the upcoming experienced seniors of next year, our team will have an advantage. With alot of work and a bit of luck we can hopefully expect a winning season for next year's team.

Marc Burdell with a look of determination goes for a goal.

Needed: Publicity And Participation

Boys' and Girls' Cross Country teams both have one main problem in common: lack of participation. Although not as well-known as football, baseball, or basketball, it can still be rewarding for those who give their best effort.

It was very difficult for the Boys' or Girls' team to win a meet this year. Not because they lacked the skill, but because they had too few members to compete with. Nevertheless, our teams did their best and can be proud of their courage and spirit. What they need to win is publicity, public interest, and more participation from the school.

Girls Track Has Great Enthusiasm

Among the many sports offered to girls at Colton High, is the highly popular sport of track and field.

This year's girls track and field team did considerably well. They worked very hard everyday after school getting into shape. Under the persistent and forceful instruction of this year's new coach Robin Luken the results of all their hard work, practicing, good coaching and team spirit, the team placed in almost every meet.

The result of all this effort has the coach, the team, and the spirit aroused with enthusiasm and spilling over all ready for the 1982 season.

Teamwork Runs With Number One

What sport requires endurance, top physical condition and speed? Track!

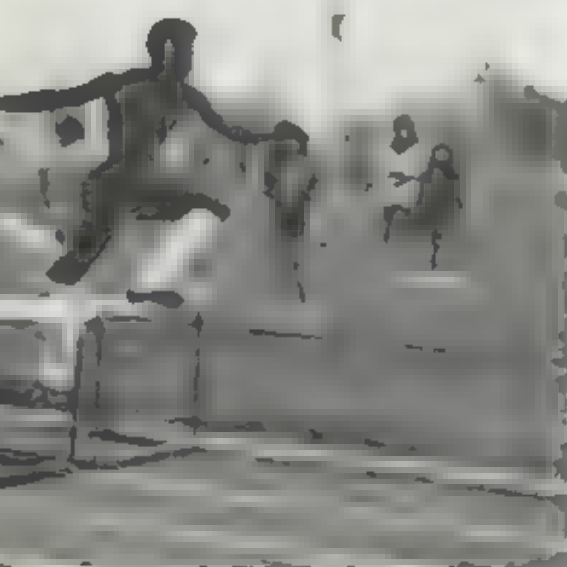

Students who go out for track are motivated by the thrill of competition. The enthusiasm and spirit of Colton High keeps the students running.

Coaching the track team this year is Mr. Robin Luken. This is his first year teaching at Colton High. In this short time he has done a great job of putting the team together, and winning a number of meets.

Mr. Luken's first goal as Colton High's new track coach was to encourage a lively participation from the students. This goal was accomplished, for there was a large number of students who tried out for the team. One of the advantages of a wide participation is that most of the students were underclassmen. This will result in next year's team being more experienced and competitive at the meets.

Result Worth Effort

Swimming is a great sport and very popular at Colton High. The boys worked very hard this year to attract more members to the team. With a small team the group started out determined to do their best.

They practiced, not only after school, but also with the Grand Terrace Swim Club in the evenings. The work paid off and the team did fairly well in their league.

Coach Curtis Van Hulla said, "The team needs work, but most of the members improved individually."

Coach Wilfred Foreman stated, "I'm pleased with the team. The result was well worth the effort."

Perfect Backstroking" - Darin Deraule

Paul Bradshaw starts in perfect form

Girls swimming is a very demanding sport. Many hours of practice are required of each girl who participates on the team. The girls must go through a very difficult practice each day and do exercises such as sprints, yards of kickboards, and diving. Coach Wilfred Foreman has spent many long hours training the girls to be proficient in the sport and will work with members individually.

Mr. Curtis Van Hulla, the varsity coach, has also done a great deal to help the team perform. Van Hulla is unique from most coaches because he gets "into the action" and shows his swimmers how to do different moves by getting into the pool and doing them himself. With determination, the girls swim team should do very well this year. Coach Van Hulla was extremely pleased with the girls this year. They worked hard and were also pleased themselves.

New Coach, New Style

A new coach has joined the Colton High athletics department. Mr. Brad Scott is the new boy's tennis coach. He is taking over for Mr. Ashley who has coached the tennis teams at Colton High for many years. Coach Scott has brought new ideas and introduced the members of the team to different styles of playing.

The tennis team ended their season very successfully with many victories. Coach Scott hopes to build a stronger future varsity team by working with the JV players.

Birds Do Fly

This year the C.H.S. badminton team experienced an outstanding season under the direction of Mrs. Sandra Guidi. Some of the team's great enthusiasm and superb playing was attributed to a badminton clinic of professional calibre, presented at a local university by their team members.

This is the second year we have had a co-educational badminton team. It proved a success again, with all members full of enthusiasm and the spirit to win.

The team practiced many long hours and worked hard to achieve their high status in the C.B.L. league.

JV And Freshman Future Stars

Compiled mostly of last year's undefeated freshman team, the JV baseball team enjoyed a rather successful year. Hurlers Robert Duran and David Fisher pitched countless innings on their way towards victory. Entering the CDL like the other sports, the JV's met new challenges on the baseball field. Coached by Mr. Edward Monroe, the team continued as a baseball force.

Because all schools do not have a

freshman team, Coach Cabrera's freshman team had to play jr. highs and school reserves to fill their schedule. The team is a vital building block for the CHS program. Some of the players will play JV next year, some might even play varsity, either way they get a chance to build up their experience on the field before they play high school teams.

Enthusiastic Crowds Help Team!

The 1981 baseball team had a very successful season. The varsity team ended up second in league midway through the season. With the help of coach Walter O Neil the team made the adjustment to the CBL league with great success. Many returning letterman adds to team, amounting to the great experience under there belt. Almost every home game was filled with enthusiastic crowds which urged on the team to do the best they could.

If the team keeps up the hard work and determination they could probably finish in first place for the next years 1981-82 season.

Volleyball Team Works Hard

The noise from the cheering crowd which besides students, is made up of parents, relatives, friends and volleyball enthusiasts.

Colton High School practices very hard to improve the ability to make fast returns. This demands sharp eyes, quickness to take advantage of any weakness to help in scoring.

The pride the team members have, when they win or lose, is the spirit of Colton High School. We are proud of the efforts of the team

CHS Makes C.I.F.

This year Colton was honored by having four teams go on to the C.I.F. playoffs. Colton also had other athletes compete as individuals, representing their teams and their school.

The football team ended up with a 2-3 record in the Citrus Belt League. Colton was picked as the C.I.F. wildcard team. In the first round of the C.I.F. playoffs the Yellowjackets drew Walnut Grove High School. With a remarkable display of talent the mighty jacket team defeated Walnut 26-13. With a victory under their belts the team advanced to the quarter finals to face number 1 ranked Edison High School. Giving an all out effort the Yellowjacket team was defeated by Edison 34-14; ending all hopes of a southwestern C.I.F. championship title.

The Colton team demonstrates their powerful running attack.

Ending the season with many victories, the girl's fieldhockey team entered the C.I.F. playoffs. In their first playoff game the team sufraced victorious over Santa Ana High in a no-score game. The game was decided by a flick-off in which Colton scored 3 to 0. In the second-round of play the yellowjacket team was defeated by Garden Grove 4 to 0.

The Colton girls' volleyball team entered the C.I.F. playoffs after ending a successful season. Coached by Mrs. Williams and two other coaches, Gene Larson and Art Popadopolo the girls entered the first-round of the C.I.F. playoffs with great determination. The girls won their first game and moved ahead to the second-round making a commendable effort the jackets lost to Leuzinger

Winter Queens Crowned

This year's basketball homecoming proved to be an exciting event with its three beautiful queens and two princesses. Miss Carey Sanchez-basketball; Miss Donna Jaramillo-wrestling; and Miss Rossana Carrasco for soccer were the three winter queens. Susan Rendell and Melanie Hudson were the two basketball princesses. To become a queen or a princess the girls must be elected by the members of the sport they are representing. The candidates must show enthusiasm and dedication to the sport that elected them. It is a great honor to be chosen as a queen or a princess of any of those sports for it shows school spirit.

Room For Dancing

There was only low attendance at the Winter Ball this year, but everyone who went enjoyed it. This was only the second time this dance has been held.

Students from each class nominated the girl they thought would best represent them. Four girls from each class were picked. These sixteen girls and their escorts attended the dance where the winners were announced.

Laurie Sander was crowned Queen, and her court included Junior Princess Eleanor Tafolla, Sophomore Princess Carrie Macarra, and Freshmen Princess Barbara De La O. Hopefully more people will attend this winter dance next year.

Successful As Ever

Our Girl's League Dance this year was an overall success. Chaffey College seemed to be a worthy place to hold this dance. "Night Life" kept the dancing going by playing their very best music.

Lisa Ramirez, the Girl's League Queen this year, was escorted by senior Ken Gomez. Members of Lisa's court included first runner-up Theresa Beltran, and second runner-up Gina Sherman. Other candidates were Lynette Dodson, Donna Espinosa, Susan Farnum, Rebecca Gonzales, Lori Hughes, Suellen Mahle, Astrid Reihm, Marlene Salazar, and Kathy Skinner.

Girl's League is always a very special dance and for everyone who attended this year, the event is something they will remember for a long time.

Yearbook Photographers Show Style

Photographers of all ages have a style and personality of their own. The yearbook photographers are no different. They take basically the same subjects: Sports, Candid, Groups, etc. but each has a definite style. When looking at a photo you can usually tell who the photographer is, and what mood he was trying to achieve in balance, style and total effect.

We have selected from this group each photographer's favorite picture of 1981.

Lettercarriers: Vital Part Of Band

Lettercarriers are as much a part of CHS band department as the band. Instructed by Debbie Sargeant, the Lettercarriers traveled with the band and flagcarriers to competitions and parades across California. "It's pretty easy once you get the hang of it," commented Gina Quesada.

Perfect precision and timing goes into the work of the Lettercarriers. Making the right move at the right time enhances the field shows. Building up of the leg muscles is also needed. Marching in parades and competitions are hard on the legs. Through hard work and dedication, the Lettercarriers have proved to be a vital asset to the band.

"Looking Good"

Started last year at Colton High, the Troupers have proven a highly successful club in raising money for the musical, play, and Supper Theater. Mr. Terry Gunkel, a recent addition to Colton High's teaching staff, organized the Troupers Club to support the drama students at C.H.S. Awards, letters, and trophies, which are given to students in drama, stage and lighting classes for their efforts and outstanding performances, are purchased with the funds raised by the Troupers Club.

Troupers are backed by community contributions of time, money and help. This tremendous support resulted in success after success this year.

With all of these ingredients the Troupers have going for them, the future indeed is "looking good."

Key Club Serves Community And Country

Key Club is an International service organization sponsored by Kiwanis International. Key Club is made up of the "Key" members of the school who are dedicated to the service of the country and community. The Key Club Theme this year is "Dare to Influence."

This year the Colton High Key Club has participated in many projects to benefit the community. Such projects include two Blood Drives, Fly a Kite Day, Christmas Party for the mentally handicapped, and Special Olympics. Key Club also won First Place in homecoming for their float. Key Club is not all work. Members of good standing may go to the International Convention at New Orleans or the District Convention at San Jose. Also, members may take part in activities such as bowling, miniature golfing, and other events sponsored by Key Club.

Key Club can be very meaningful to those who are willing to put the time and effort into making their school, community, and country a better place.

Student Activities Show ASB Work

Associated Student Body, better known as A.S.B., is charged with continuing the spirit of Colton High. This year President Jeff Ferre and Vice-President Mary Hodges worked hard to make Colton High's programs more enjoyable to students and faculty. Mr. Jim Hayes, adviser, assisted by Mr. Chuck Faren, student activities director, supervised the A.S.B. council on projects. Projects included: three homecomings, assemblies, the Toys for Tots drive, and many lunch time activities.

A.S.B. card sales surpassed previous council efforts for the last five years. The added income provided for greater financial flexibility.

A.S.B.'s dedication helped the cheerleaders do a better job, thus helping the teams have a winning attitude. All we can hope for is more of this devotion in the future.

Watergirl: A Demanding Job!

Watergirls have a demanding job, having to attend every football practice and game throughout the season.

The freshmen volunteer by signing up for this occupation. Junior Varsity and Varsity watergirls are elected by the teams on a voting system. Each girl eagerly awaits the announcement of the few chosen for the year.

This year there were only three Varsity watergirls, Jeanette Barrios, Paige Halverson and Connie Sosa. "It's quality not quantity that counts," stated varsity player, David Blum. J.V. and Freshmen watergirls are equally dedicated. Their responsibilities include taking care of equipment, setting up for practices, purchasing ice and supplies, and supporting the players.

Watergirls must have determination and dedication to meet the long, hard hours of work required.

Wrestlerettes: Indispensable

Wrestlerettes show spirit! Many girls would love to have this interesting job. They keep statistics for the wrestlers, cheer them on, and make the games more exciting.

Junior Anna Bustamante commented, "most people feel wrestlerettes are very necessary."

It's tough but it's fun and a great way to meet the wrestlers," stated Junior Stefanie Prieto. She also said you get to go to different schools and meet people from all over. At first Jaquie and I didn't know anything about keeping score. You have to learn fast. It gets confusing at times." To the wrestlers these girls are indispensable.

Fully Committed Members

Stagecraft is one of many clubs offered to students at C.H.S. Students are given the opportunity to help produce the many varied performances at Whitmer Auditorium.

Hard work by the students plus many hours of spare time and complete dedication are required to be a fully committed member of this club.

This club has the same adviser as the Troopers organization, a busy Mr. Gunkel.

Both stage and production crews, attired in their "blacks," perform their work to little applause or reward, yet without them the show could not go on.

Last year's highly successful production was surpassed by the 1981 show "No, No, Nanette."

'Little Girls' Do Big Things

This year has been tops for Girls League! The club has been much more active this year as compared to previous years. Thirty-five super-members had great results. Leading the group were the four officers: Carol Marquez, president, April Tisdale, Vice-President, Lynette Dodson, secretary, and Lina Navarro, treasurer.

Girls League is not only a fun and exciting club to be involved in but is also a good experience for future jobs. The work being done is a headstart for the business world. Girls League also offers a student scholarship.

February brings the Girl's League's most important event of the year: 'Girls League Dance.' Throughout the entire year the members of the club work very hard earning money in such activities as blood drives, flower sales, selling of weables, and many other fund-raising activities. Through the work of a few dedicated girls Girls League dance is one of the best and most attended activities of the year.

To become an official member of Girls League, girls have to be initiated into the club. The process consists of the girls dressing up as a "little girl."

Lina Navarro, Carol Marquez, and Joanne Delgado discuss plans for fund-raisers.

Mecha Regains Spirit

The M Y C Mexican Youth Club, has been revised this year by the new sponsor and science teacher Mr. Joe Trevino. To the present student body this club is known as Mecha.

It was originally founded in the early 1960's. Advisors Mr. Frank Guinoniez and Mr. Frank Corona guided the club through many successful years. Among previous activities were dances, first place exhibits, float competitions and assemblies.

Mecha has always had a large student participation and interest. One of their goals is a better understanding between Mexican and Anglo students. The club increases the student body's knowledge and appreciation of the rich and important cultural contributions of both Spain and Mexico to California's history.

Mr. Trevino, with the help of officers, has many good ideas for Mecha's outlook at Colton High School.

Pepper Bough Faces New Challenges

Pepper Bough, the high school newspaper, faced many problems with a new staff and advisor. Mrs. Patricia Ishida, a former teacher at Bloomington High School, came with experience in publications and fresh ideas for the newspaper. Along with the staff, she changed the format of the paper. Although there were a few flaws due to working with a new media and staff, on the whole the revisions were done well.

This year's Co-Editors-in-Chief, Tami Smith and Rosemary Cortez confronted the problems of meeting deadlines and raising money to support the paper. Advertising was added to the paper for the first time to supply additional income. Another new idea used was a weekly Letters-to-the-Editors spot. Layouts and writing styles were drastically revised to improve the sports and feature pages.

The staff worked hard to cover a variety of topics with the help of all of the journalism classes. Problems were overcome and the Pepper Bough remains a vital source of information for Colton High School.

All Woman Staff Adds Touch Of Class

The California Scholarship Federation is an association of students who have achieved a high grade point average in the previous semester's work. Membership is based on points obtained by high performance in academic classes. Ten points are needed for acceptance. Students who have been members for four of the previous six semesters are designated life members.

This year's officers for C.S.F. are President Jane Matthews; Vice-president Linda Lagarde; Secretary Sara Andon and Treasurer Susan Rendell. They, along with sponsors Mrs. Mitzi Abbott, Mr. Gary Abbott, Mrs. Irene Londas, and Mr. Wilfred Foreman planned several trips this year including one to the historical Murrey House in Redlands, one to Disneyland, and one also to a competition at U.C. Riverside where outstanding students from many schools competed by answering questions on various topics.

Honorary Organization Provides Incentive

Quill and Scroll is an honorary organization established in 1927 for outstanding students in journalism and publications classes. To become a member, a student must have 250 or more inches of his or her own writing in print. This may be published through the school newspaper or the school yearbook. When the student has achieved the required number of printed inches he or she is accorded Junior status. Exceptional work in journalism-media, art, business, design, layout, editing, photography, and headline writing is also taken into consideration. Membership extends through the Junior year into the senior year.

The Co-Sponsors of Quill and Scroll are Mrs. Patricia Ishida and Mr. Eugene LaPlante. Quill and Scroll Officers are Rosemary Cortez and Tami Smith.

Agriculture Affects Everyone

Students in agricultural classes are given the opportunity to live up to the F.F.A. motto by:

Learning to do
Doing to learn
Earning to live
Living to serve

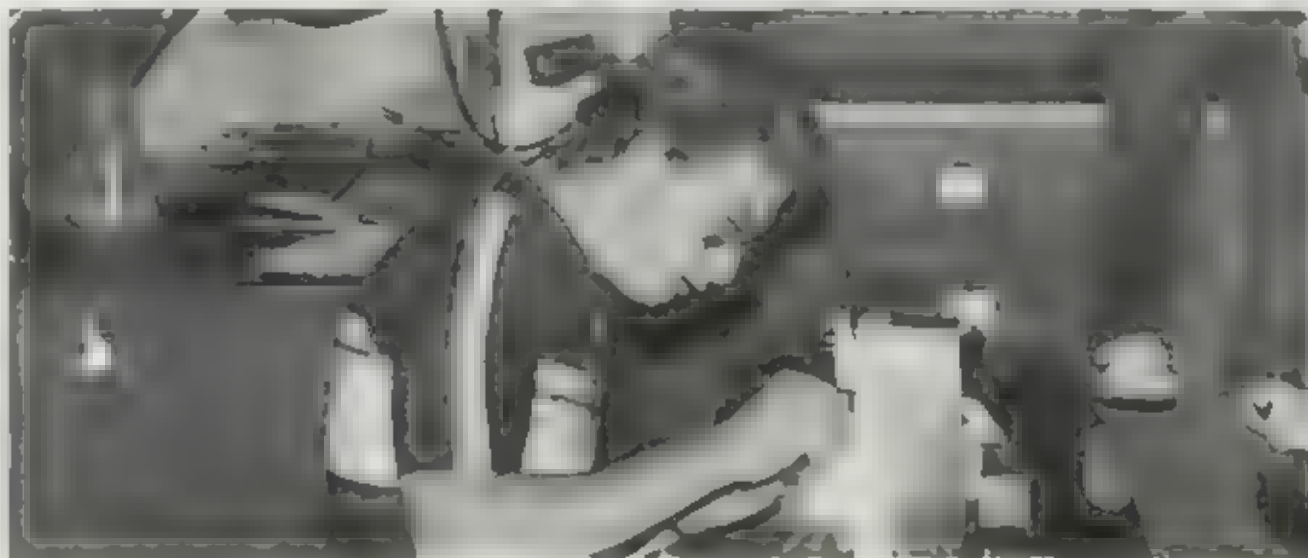

The F.F.A. organization strives to prepare students for careers in our agricultural society. The advisor, Mr. Jeff Rhiner and the horticulture teacher, Mrs. W. Miller coordinate their lesson plans to set up many activities for F.F.A. members to attend. Each year there are over 30 different activities available: Sweetheart Dance, National Orange Show, and our own annual Awards Banquet. Each of which bring an average of over \$1000.00 towards new equipment.

There are also many individual contests such as public speaking and exhibiting projects at fairs.

Society in general will benefit from the many experiences of the agriculture department.

Yearbook - An After School Activity

"I'm not staying Friday!" screamed staff members going through the problem of producing a yearbook. Yearbook members worked hard all year long under the leadership of the advisor and the editors. Advisor Mr. Eugene LaPlante has seven years experience in the publications field. In October, the staff attended a seminar at Riverside's Baptist College campus where Mr. LaPlante taught students about layouts.

"It's hard to produce a yearbook with a small staff," commented Editor-in-Chief Lori Hughes. Along with Mike Sachs, Junior Editor Eddie Martinez, Sophomore Editor, and Carrie Creason, Freshman Editor, the book stayed alive through all the deadlines.

"Some of the deadlines were hectic and very hard on my ulcer," joked Eddie Martinez. "but the end result is worth it."

Pep Squad Has Spirit!

This year the Colton High School Pep Squad attended the United Spirit Assoc. camp at the UC Irvine campus where over 1000 participants competed. Our girls won 114 ribbons, three trophies and two Spirit Sticks.

To pay for such things as uniforms and cheerleading camp the hard-working cheerleaders and songleaders raised money through fund raisers.

Cheerleading has its problems, as does every other organization. Many were overcome with the help of advisor Judy Corwin and cooperation from all the girls on the squad.

"Cheerleading is fun and exciting!" is the overall opinion of this year's CHS Pep Squad.

Art Club - A Big Part Of Campus

One of the busiest clubs on campus is the Art Club. Undertaking numerous projects during the year, the Art Club manages to work continuously to provide services to the community.

In the spring, the Art Club expanded to semi-professional work by accepting a job offer from a local Colton businessman. The owner of Jay's Country Day commissioned a mural on the history of the west for the outside of his building.

Another mural on the same subject was painted at the Movieland Frontier Town.

At Christmas time the Art Club, with the help of advisor Mr. Eugene LaPlante, created Christmas wreaths which they sold to teachers, parents, and students. Profits from this enterprise were used to fund a \$100 scholarship awarded each year to an outstanding art student.

Another project at Christmas time is the gathering of food for Christmas dinners. These were given to needy families.

Art Club members Front: Rueben Bartlett, Vivian Sosa, Julie Rivera, Liz Bustamante, Eddie Martinez, Vicky Bustamante. Back: Marlene Salazar, Edmund Buenrostro, Craig LaHaise, Jess Lizarde.

Art Club Officers: Eddie Martinez, president; Tony Gutierrez, vice-president; Lisa Lindbergh, ASB and ICC representative; Mr. Eugene LaPlante, Advisor.

Tony Gutierrez and Connie Ramirez begin work on homecoming float.

Science, English, Math: Vital In School Life

In this world there is a great need for qualified individuals in the science, math and liberal arts fields. Our school offers many courses in these subjects to help prepare students for entrance in to college. Many classes such as physics, physiology, english literature, college study skills, and trigonometry are available to students to give them a solid background for college. For a collegebound student classes are structured at higher levels than for the average student. These classes are called college prep because of the more demanding study schedule. They give students a chance to see how rigorous college studies can be.

Science is one of the most demanding of the academic courses. A student has a

variety of courses he can choose from including chemistry, biology, physics, and laboratory biology. All those courses give the student an opportunity to reach an understanding of science

English is required for all four years of high school for college entrance. Students may choose from such classes as English literature, Greek mythology, or speed reading. Other English courses range from speech and journalism to college English skills. English classes give students a better understanding of literature and the English language

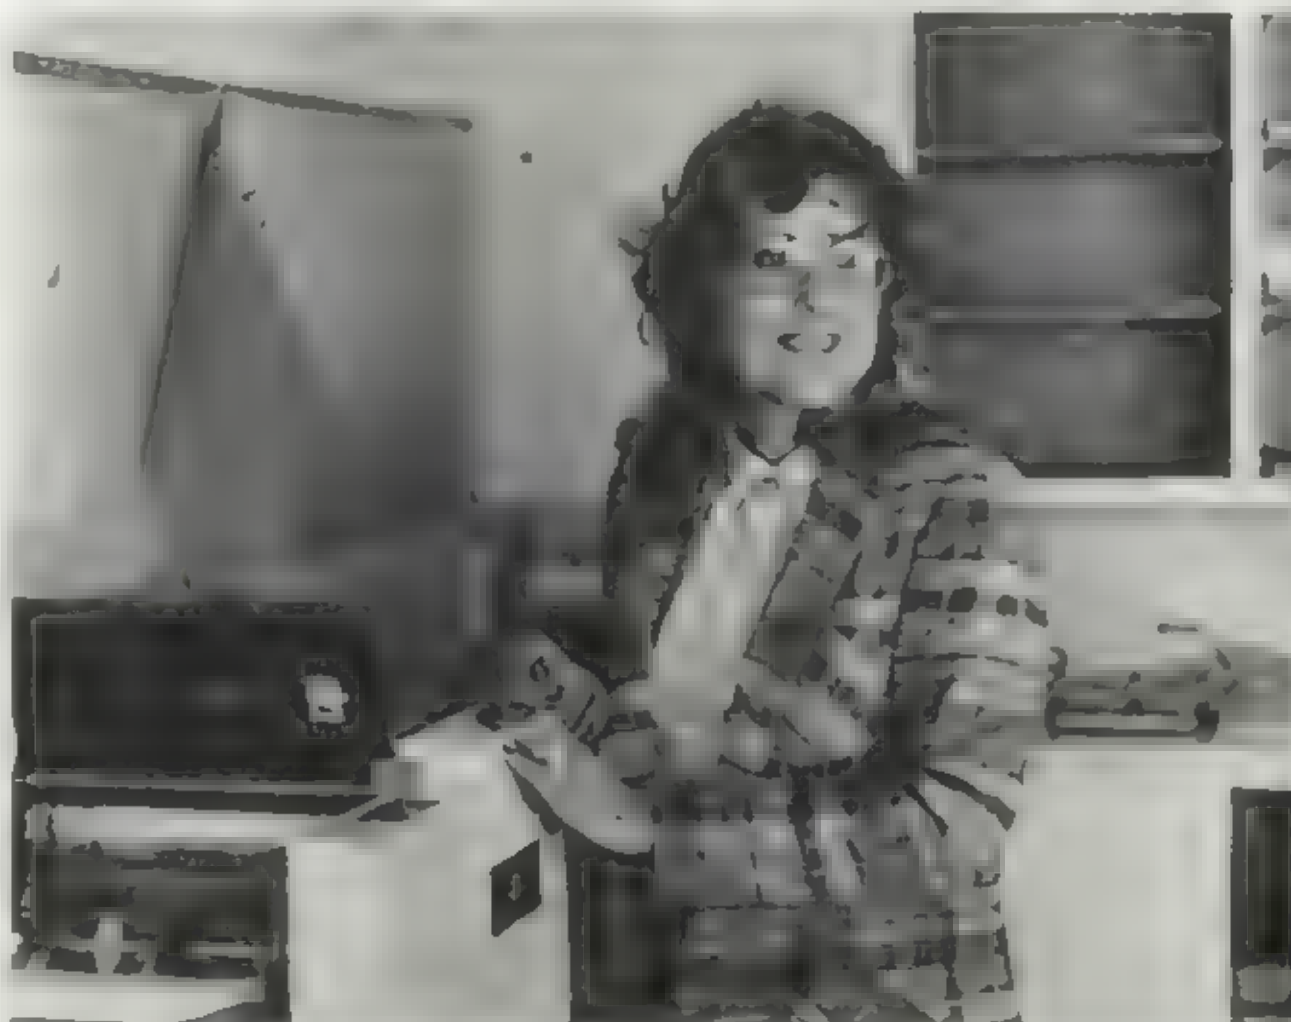

Two years of a high school language are required for entrance into college also. A foreign language teaches the student to appreciate other cultures

Mathematics is another important department of the academics. Though it is very limited in our school, ranging only from Algebra to Trigonometry, the math department gives the students a good background in math

The best way for students to prepare for college is by taking College Preparatory classes.

Retiring Coach Lord; Inducted Into Hall Of Fame

Mr. Dick Lord, a resident Colton High School athletic coach for 16 years, was honored at his former college by being accepted into the Defiance College Hall of Fame. Acceptance into a hall of fame is an honor rarely bestowed on an individual.

In 1939 Mr. Lord was graduated from Farmer High School in Bryan, Ohio. Mr. Lord was accepted at Defiance College where in each of his four years he was the leading D.C. scorer. He had scored 980 points in his 68-game college career. He had a 14.4 point average.

In Mr. Lord's sophomore year, he received All-Ohio honorable mention. During his junior year, he broke the previous school-scoring record by hitting 38 points in a single game, and then, as a senior, he broke it again by scoring 39 points.

Mr. Lord was the twenty-seventh member to be accepted into the Hall of Fame and only the third basketball player to be so honored.

"I never missed a game," said Mr. Lord. "I averaged 14 points a game in four seasons and 21 points as a senior." Few members of any basketball team in these days can boast such a consistent and high-scoring record.

Coch Lord, congratulations on your achievements and your retirement from C.H.S. We wish you continued success and will miss your great spirit.

Pictured with Mr. Lord are the three other Defiance College Hall-of-Fame inductees, Mr. Dallas Gistler, Mr. Ralph Geer and Mr. Donnell Cathey.

Mr. Lord in 1978.

Mr. Dick Lord with the Defiance Hall-of-Fame Plaque awarded to him.

Yearbook Honors Retirees

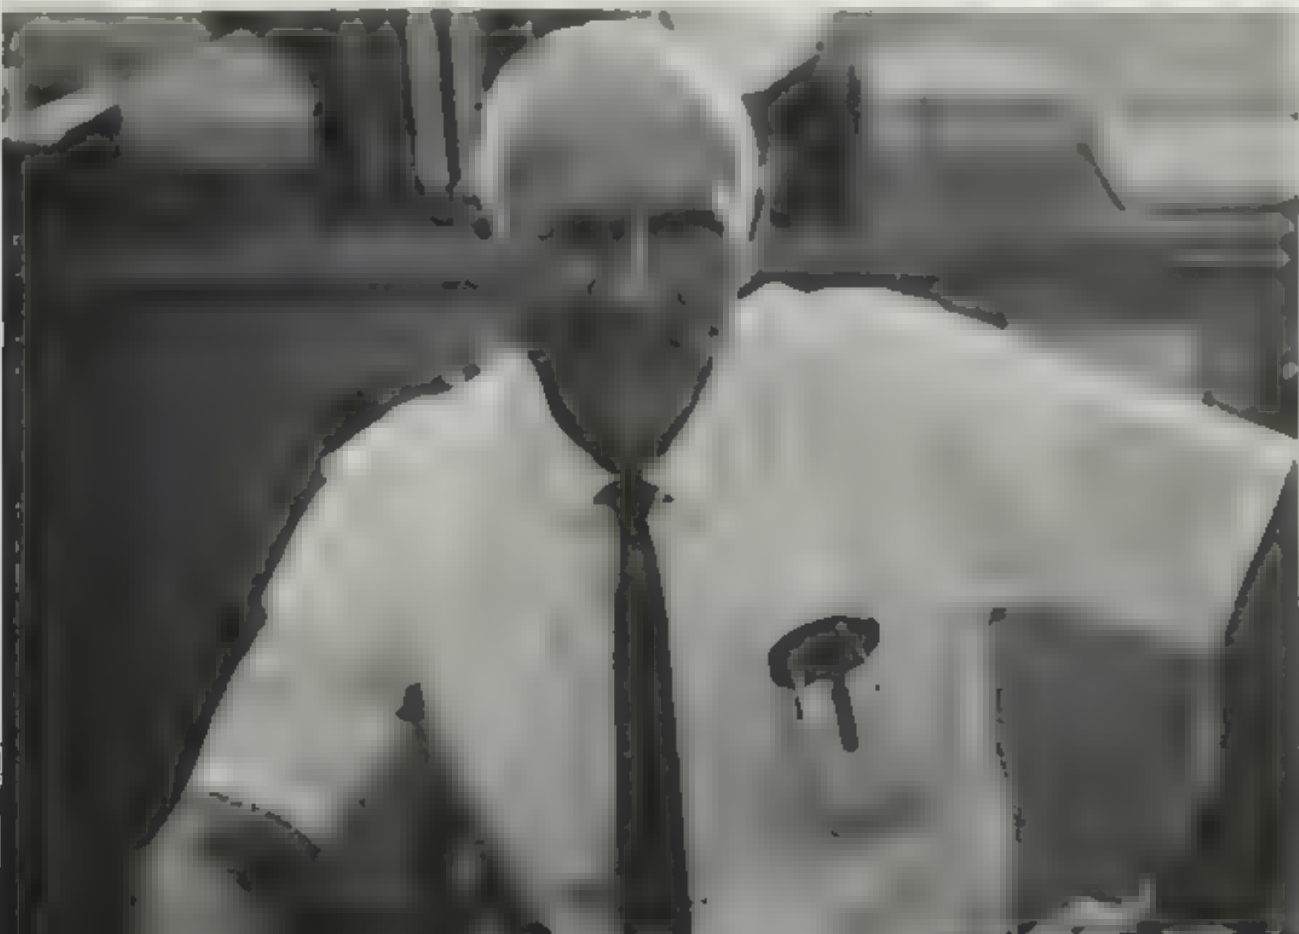

Mr. Clois Brown, a teacher at Colton High for thirty-two years, is retiring with a mass of achievements. Mr. Brown has taught government, history, sociology, geography, world culture, and a class called "Senior Problems." Mr. Brown drove a bus for 17 years, when teachers were required to drive them. He has been the head senior class sponsor for the past 27 years.

Coach Dick Lord is also retiring this year. Along with his experience in sports during high school and college he coached track and field, basketball, and cross country.

Coach Lord and Mr. Brown will be sadly missed and we of the yearbook staff wish them a lively retirement.

Teachers Await New Challenges

Ms. Rosemary Albiso, a home economics teacher for seven years, is leaving Colton High for New Mexico. Ms. Albiso will face new challenges as she works toward her Master's Degree in Communications. Over the years, Ms. Albiso has taught many students the ways of running a home, cooking, and home management.

Mr. Hank Dolke, Vice-Principal in charge of attendance at CHS has been transferred to the Colton School District Office. For many years Mr. Dolke has kept an eye on Colton students, making sure their attendance records were good. Mr. Dolke will be taking on great responsibilities in his new position. He will be in charge of attendance throughout the district. We all hope that his position at the district office will be very successful.

More Than Just A Clean Campus

Most students come to school and do their work without any thought of who keeps our school running. Without our busdrivers, security people, cooks, and janitors this school would not function. The people who run our school deserve a great deal of credit. They make our school a much nicer place to be at. They bring us here, keep us safe, feed us, keep the rooms and halls we use clean, and take us back home again. All these men and women make Colton High the best school around. Their dedication and good work is greatly appreciated.

Great Asset To Students

The Career Guidance Center is manned by men and women whose sole interest is assisting students in career choices and job opportunities. Students who are interested in finding an occupation that is suitable for them can come to the Center and sign an application form.

The Center's responsibility is to plan careers. Students arrange an appointment with one of the counselors who will direct them and arrange a meeting with a person in a particular field. The Center has an enormous amount of information about careers and job opportunities that is open to the student body.

Another helpful tool the Center has is information about colleges. Any person who wishes should go to the Center and read the many brochures, pamphlets, and books on various colleges in the country. The staff is also quite knowledgeable in answering questions about different colleges.

The Career Guidance Center has many useful materials which can be a great help to students in finding jobs, careers, or receiving information about colleges. The Career Guidance Center is a great asset to Colton High School.

Students Of The Month

One of the highest honors presented at Calton High is the coveted "Student of the Month" award. Teachers, administration, and other students nominate the person they feel is most worthy to hold this honor. The nominee's name then goes to the citizenship committee who votes for the student of the month. The students must be involved in various activities and have high academic achievements.

Students of the month Sept: Rene Villars, Oct: Mary Hodges, Nov: Karen Rivera, Dec: Tami Smith, Jan: Jeff Felle, Feb: Jane Matthews, Mar: Kathy Skinner, Apr: Susan Rendell, May: Mark Mocarro, June: Rebecca Gonzales.

Hardworking Senior Class Council

The Class of '83' student council was a vital part of the whole graduating class. President Lucky Lucero, vice-president Henry DeLaO, treasurer Donna Jaramillo, secretary Tami Smith, historian Margo Davis, and ASB rep. Manual Alanis took care of all preparations for graduation. They also took care of all senior activities. The council does a good job in adding spirit to our school.

President Lucky Lucero addresses his council.

Treasurer Donna Jaramillo gives her opinion on a senior subject.

Posing for a picture at a brief meeting is the senior class council.

*The sun sets
on our carefree days
the only life
we have known*

*This image
lingers on
as the last few days
draw near*

*A feeling
that these days
are gone forever
never to return*

*The rising sun brings
a new life
but the spirit of this
time
will remain forever in
us all*
